- 19.4. Upon completion of the season match-ups, field schedulers for each organization or city will receive the match-up schedules and begin to provide dates, times, and field locations for each of the double-headers or individual games located at their facilities.
- 19.5. Once the final schedules have been added and approved to the master spreadsheet, all games will be moved to the website and considered final for that season. <https://playncs.com/baseball/Rules/>

21.2.2. If a team has less than 9 players in attendance, then they may “borrow” a registered player from another team in their organization as long as they are eligible to play in that league. 21.2.3. If a coach plays an ineligible player, that player shall be immediately removed from the line-up and the head coach shall be ejected.
